RE: Label Claims/Disclaimers

Dear Mr. Moore:

This letter is to notify you that Enzymatic Therapy, Inc. at 825 Challenger Drive, Green Bay, Wisconsin 54311 is a distributor and has included statements provided for by section 403(r)(6) of the Food, Drug, and Cosmetic Act on the labels of the following product. These claims are not necessarily for a product we currently market or plan to market in the immediate future, and may be exploratory in nature.

COMPANY	PRODUCT NAME	DIETARY INGREDIENTS	STATEMENTS
Enzymatic Therapy, Inc.	Acidophilus Pearls™	Proprietary Probiotic Blend Lactobacillus acidophilus and Bifidobacterium longum	Probiotics do not permanently colonize in the body. Therefore, they need to be ingested regularly for their health-promoting effects to persist.* Since they are often killed or severely weakened by exposure to air while on the shelf, and by stomach acids when in the body, probiotics need to be protected until they can reach the intestine, where they offer maximum benefits.*

I certify that the information contained in this notice is complete and accurate and that Enzymatic Therapy, Inc. has substantiation that the statements are truthful and not misleading.
